Support CALS

Yes! I would like to support the Creative Arts League of Sacramento with a gift to the Annual Fund!

Beginning in 1952 with 10 talented women, the Creative Arts League of Sacramento continues today as a vibrant non-profit organization dedicated to promoting, exhibiting, educating and the building of community around a shared interest in California art & fine craft throughout our region. CALS members have planned, designed, funded and assisted installation of these exhibits in collaboration with the Crocker Art Museum and other local venues.
